Message to Pastors

I recently wrote on the current events page that it's time for all Christians, from all denominations, to admit that this website contains the real meaning of Daniel 11 and the Seals, which proves 'pre-tribulation' rapture. I don't attempt to pick a date but the signs are clear enough to know that this is the right interpretation and people should be told where to find it so they can watch, just as Jesus said to do.

Luke 12:37

"It will be **good for those servants** whose master finds them **watching when he comes**.

I tell you the truth, he will dress himself to serve, will have them recline at the table and will come and wait on them."

Think of it this way:

Pastors minister to the soul like physicians minister to the body. What if a doctor graduated from medical school but could only use medicines and techniques that were available before they graduated, and were developed by that particular school, which hadn't changed in centuries? That sounds ridiculous but that's the current situation, in regards to **end times**, because churches are still using interpretations of Daniel and Revelation that are centuries old. Any doctor who did that would be deemed ineffective and have a lot of dead patients, wouldn't they? Plus, Daniel 11 was specifically 'sealed until the time of the end' (Daniel 12:4) so why would any church insist on sticking with an interpretation that was centuries old? Obviously, the end wasn't centuries ago but history and current events in the Middle East match this interpretation of Daniel 11 precisely. Churches should at least look at the facts because God's Word is "living and active" (Hebrews 4:12) and the Holy Spirit is not dead but still teaching those who will listen. Think about it.
